TABLE OF OVERRULED AND MODIFIED INSTRUCTIONS

1933, Aug. 17—Letter of instructions re disbursement of funds to executors and administrators of estates of deceased Osage Indians of less than one-half Indian blood or Indians having certificates of competency; Aug. 17, 1933, instructions overruled in effect by letter of instructions approved Apr. 6, 1936; instructions approved Apr. 6, 1936, modified 58 I.D. 378, 386, 388, 390.

Departmental instructions of Jan. 10, 1936 (letter M-28257), Nov. 16, 1937 (see 1690586), and Nov. 8, 1939 (see 1791365), concerning Arkansas drainage liens and withdrawal orders are overruled by Solicitor's opinion of Oct. 30, 1942, insofar as they are inconsistent with its holding that drainage liens imposed on public lands in Arkansas under the Caraway Act of Jan. 17, 1920, although constituting rights to Caraway entry and barring withdrawal therefrom, are not rights to homestead entry and do not bar withdrawal of the lien-burdened lands from homestead entry or any other form of disposition under public-land laws. (See 58 I.D. 170, 173, 174, 179.)

1936, Sept. 14.—Letter of instructions (M-28726) releasing of unreserved public lands; modified, letter of instruction of Oct. 8, 1937 (M-29482). (See 58 I.D. 203, 210, 213.)

Departmental and General Land Office instructions and determinations concerning withdrawal orders and Minnesota drainage liens on United States lands are overruled by Solicitor's opinion of Aug. 12, 1942, insofar as they are contrary to its holding that drainage liens imposed on public and Indian ceded lands in Minnesota under the Volstead Act of May 20, 1908, although constituting rights to Volstead entry and barring withdrawal from Volstead entry, do not work an appropriation of the land, do not constitute rights to homestead entry and do not bar withdrawal of the lien-burdened lands from homestead entry or any other form of disposition under public-land laws. (See 58 I.D. 65, 74, 80, 81.)
